Dear Mr. Jacobson:

On October 17, 2007, the Facility Fire Safety & Construction Program sent a letter to your facility that incorrectly stated that Bear Lake Memorial Skilled Nursing Facility was found to be in substantial compliance as of September 27, 2007. The letter should have stated that substantial compliance had been met as of **September 24, 2007**. Please replace the follow-up letter that was mailed on October 17, 2007, with this corrected copy.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiency K074 has been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark P. Grimes', with a long, sweeping horizontal line extending to the right.
